

Joining **FORCES** For Safety

ASCC is proud to announce a partnership with ClickSafety, a premier online safety training provider, making a dedicated safety training resource available to all ASCC members.

This collaboration presents a comprehensive library of safety training in both English and Spanish, and covering all pertinent safety topics for the concrete industry to all ASCC members.

You simply log into the training portal and register any user in your organization for the quality safety training to meet their needs.

MEMBERS RECEIVE A 15% DISCOUNT ON ALL COURSES.

Courses include:

- 10 and 30 Hour OSHA Outreach Training
- 30 Hour OSHA -Voice Authentication (meets NYCDOB/LL196 training requirements)
